Rechmond T. Lacy. Esq., Proprietor, Waite House, Vo.:

Dear Sir.—Referring to your request of yesterday. I would state in behalf of "BLLMONT LITILA WATER," I have used it largely in Digestive troubles with good results, but I was more particularly struck with its efficacy in a case of Pregnant insoanolency occurring in my practice some two year since. The patient was tormented night in and night out with loss of sleep. I could give her moretic, As a dernier resort I suggested the BEL-MONT LITHIA. The morning succeeding the night of its trial I met her, bright and radiant, on the steet, and she told me the water had given her a tranquil and refreshing sleep—something she had not edjoyed before for some weeks. Acting as it does a enfeebled nervous constitutions, I think we can sfely class it with the nervines.

Very truly yours,

The Reddjusters propose to bring in bills of the Senate to-day.

The Reddjusters propose to bring in bills of the Senate to-day.

A RESOLUTION FOR THE REMOVAL OF JUDGE

The Auguste of the Governor occupies it.

In the House of Delegates yesterday House bill. No. 19, to amend and remote safe the House and the House of the colored and stream of the consisting against the passage.

Mr. Hazlewood also presented a bill to establish a Bureau of Agriculture and Immigration. The bill repeals all laws in relation to these subjects, and relation to the safe.

Mr. Hazlewood also presented a bill awas in relation to these subjects, and tented to the safe the city of an act entitled an act entit Mr. Hazlewood also presented a bill

The Educational Committees of the Senate and House of Delegates met in the Senate

section of the old article of article of the following causes tion of Virginia, for the following causes to of removal:

vocated its passage. He said that the charpolities and its changes. Changes occurred ters of other cities in the State had leen everywhere. In Boston, however, and of removal:

That the said R. C. L. Moncure is incapable, by reason of age and physical infirmity, of longer discharging the onerous duties of Judge of the Supreme Court of duties of Judge of the Supreme Court of Appeals of Virginia.

Resolved further, That if it shall be determined to remove said R. C. L. Moneure for the cause aforesaid, provision shall be made, in recognition of his honorable and long service, for his support and maintenance for life by authorizing him to draw and receive the full salary of a judge of the Supreme Court of Appeals, as the same is now drawn and received by him, so long as he shall live.

In accord, and it was absolutely necessary for the peace and good order of the city that the change be made. Norfolk, he said, being a seaport cities of the Commonwealth, having a large floating or transient population camposed mainly of the rougher elements of society. For this reason, if or none other, the entire police department of the city should be in the fullest accord. Such was not now the case, and hence this move. He said that teis and now they were asking what new thing

the House at least twenty days before such time so fixed for the consideration thereof.

A bill has already been drawn, and is in the following the followin

ough ones. They must go to work, for their work will necessarily come into comparison with the work of the State school. There will come a call over the whole State and 64 of an Act Entitled an Act Providing a Charter for the City of Norfolk, in Force March 16, 1871.

There will come a call over the whole State for trained teachers, and every school will make arrangements for a normal departmake arrangements for a ne ment. It is not necessary, said the speaker, to go into details, for you have in your State some of the best educators in the whole country, and thoroughly posted in

Norfolk, in force March 10, 1811, all these matters.

The speaker said he should be disappoint.

The speaker said he should be disappoint. ed if he did not hear in some short time, on his trip further south, that this matter of normal instruction had been amply provided for by the Legislature.

The speaker was listened to with great attention. Several members of the committee asked questions on various points con-nected with normal schools, which Dr. Mayo answered very fully, exhibiting much interesting and valuable information on the

general subject.

The Doctor will remain in the city several days, during which he will visit our schools, and will then continue his trip through the southern States. He will address the teachers of the public

ere disposed of vesterday :

Ann Howard (colored), for stealing \$975

THE STREET-CARS.—Major Norton, super-intendent of the Street Railway Company, has shown his enterprise in keeping the tracks clear and the cars running through the snow. It has been hard work, but it has been successfully accomplished, and the patrons of the line appreciate it.

THE FIRE LAST NIGHT .- The alarm of fire turned in from Box 15 last night about 9:30 o'clock was caused by the partial burning of a small framed tenement on Adams between Main and Cary streets, oc-

FOUND OPEN.—Private Watchman Smithers are last night found unlocked the door to the office of Furman Tupper, under the National Bank of Virgibia. Mr. Tupper was notified, and came down and ascertained that nothing was missing.

The following introduced in the Senate by Mr. Glasgow was referred:

Whereas sundry persons have incurred shall be the duty of said disbursing officer, under the duty of said disbursing officer, under the payment of the amount therein awarded as damages to the person therein awarded as damages to the person or persons entitled thereto. Thereupon it shall be the duty of said disbursing officer, under the dividend of 70 per cent, in scrip and two dollars eash, which against duelling, and in the more recent and take a receipt therefor.

Waters, never to return. A crumb, however, or persons entitled thereto. Thereupon it shall be the duty of said disbursing officer, under the resum a word in scrip and two dollars eash, which being the interest on \$331, is practically a dividend of \$1032, besides cash dividend on the scrip. The recipients should be thank-tained that nothing was missing.

2. If, however, the judge fail or refuse

READJUSTER REFORM.

If ollowed by terms of amity and peace between the belligerents; and whereas some of the parties thus disabled give promise of the commissioners of the should be accorded to the present directory and the noble army of martyrs precised in as before prescribed.

3. All the provisions of chapter 56 of the shall remain in full force and effect, and shall be applicable to all questions arising the provisions of chapter 56 of the shall remain in full force and effect, and shall be applicable to all questions arising the provisions of chapter 56 of the remainder, credit should be given where it is so justly due. This is a very fair dividend for the railroad if conditions, and the matter may be provided to all questions arising the provisions of chapter 56 of the should be applicable to all questions aris tinued several years. But what of the millions engulphed in the Potomac river—sufficient to embitter an ocean—for the last forty years? If, as a lawyer, and one of the framers of a State code of laws, I cannot before any committee or legal tribunal show a just balance of two millions due the State and widows, orphans, &c., who have been forced to sacrifice their stock by this withholding of dividends (and this still recoverable), I shall at least admit my mistake—the Statute of Limitations restill recoverable), I shall at least admit my mistake—the Statute of Limitations retreating in abhorrence from any protection. But having published several years ago a pamphlet of fifty-six pages, some, perhaps, remaining in possession of John Lyon, Esq., with facts and figures never controverted, I leave the subject and the loss to those willing and able to bear it, and the sufferings and misfortunes thus entailed, only asking the favor and the justice that no one who thinks all this is right will ever

say anything I have done is right. EDWIN G. BOOTH.

## WANCHESTER AND VICINITY.

Briefs.-Despite the fact that the closing of the Free bridge for repairs has been extensively advertised, parties are daily found arriving at either end with vehicles ready to cross, and very much surprised that they cannot. They evidently "don't read the papers," or if they do, forget what they see therein. The bridge will probably be closed all of the present nonth.

If enough members can be gathered together to-night to form a quorum the City Council will transact some business. A number of our prominent citizens who accepted the invitation of Colonel Joseph L. Carrington, of the Exchange and Ballard Hotels, to take their New-Year's dinner with him, seem never to tire of discuss-

ing the magnificent menu put at their dis-posal on that occasion.

Among the Chesterfield county officials who deceased last year were Colonel William B. Wooldridge, treasurer, and Mr. William E. Gill, superintendent of the

oor-house. Mr. William W. Pool has been chosen superintendent of the West-End Sunday sehoollyvice Wells, resigned.

Some of our citizens talk of asking the Legislature to abolish two of the four

Legislature to abolish two of the four wards into which the city is new divided. They would have only two, and these two divided by Hull street.

The Christmas holidays and subsequent inclement weather have put a stop in a great was a great was a stop in a great was a great inclement weather have put a stop in a great measure to building operations in this city. Suburban citizens owning ice-houses are

prepared to take advantage of the late freeze if continued to the point of ice pro-duction. Some few have already partly filled their ice-houses.
